

October 1, 2009

YOU'RE INVITED

BC's Industry Training Authority (ITA) is sponsoring a system-wide trades training initiative called E-PPRENTICE that will ultimately provide more flexible learning opportunities province-wide for BC's apprentices.

The ITA, in conjunction with BCcampus as lead and coordinating agency of the E-PPRENTICE initiative, invites representatives of your organization to an information and networking session to:

- introduce you to the E-PPRENTICE initiative,
- provide an update of its status,
- present examples of programs in development,
- indicate the process and timelines of the next round of funding and program development,
- provide time for general questions and answers related to the initiative, and
- provide a venue for organizational representatives to meet and discuss opportunities of common interest.

What:

E-PPRENTICE Information and Networking Session

When:

Thursday, October 1, 2009,
5:30 pm – appetizers
6:00 - 8:00 pm program

Where:

BCIT Downtown Campus,
555 Seymour Street, Vancouver.
2nd Floor
Conference Rooms 282, 284.
(underground parking available)

Who should attend:

- public and private, designated trades training providers
- industry training organizations
- industry and training provider stakeholder groups
- new media and/or e-learning organizations
- school districts involved with trades training youth programs, and
- potentially, out of province organizations with interests, assets, and capabilities in alternate delivery models for trades training who wish to partner with BC organizations

To Register:

Please respond by providing your name and institution/organization by September 29, 2009 to: Christy Foote, BCcampus, cfoote@bccampus.ca, 604.412.7659.

Appetizers and refreshments will be served. An agenda of the session activities will be provided and posted on the BCcampus (www.bccampus.ca) and ITA (www.itabc.ca) web sites.

For more information on E-PPRENTICE, go to <http://www.itabc.ca/Page874.aspx>

E-PPRENTICE

REAL TRADE. REAL TIME.
