Use of Images/ Google Drive

✓ Asynchronous ✓ Synchronous

The screenshot displays the Google Drive web interface. At the top, there is a search bar labeled "Search in Drive" and a navigation sidebar on the left with options like "New", "My Drive", "Computers", "Shared with me", "Recent", "Starred", and "Trash". The main content area shows a folder named "Visual Explorer Pictures" containing eight image files arranged in a 2x4 grid. The files are labeled "pic-1.jpg" through "pic-8.jpg". The first row includes: a person holding red tomatoes, a group of penguins on a beach, a person rappelling down a rope, and hands holding a large quantity of small round objects. The second row includes: a woman in a blue jacket, a group of people skydiving, ancient Egyptian wall paintings, and a woman holding a baby. At the bottom of the screen, a Windows taskbar is visible with various application icons.

Weaving/ Padlet

On this final week of the course, you will weave something that will remind you of your learning in this course. Take a photograph of your woven piece and share it on the Padlet, along with a brief description. Remember to add your name.

Beyond words/ Forum Posts

Search for and select a quote on leadership in relation to what you have learned in this course and how your perspective on leadership has been enlightened. Select the quote because it resonates with your life in this moment. Represent your ideas around why this quote resonates with you through an aesthetic medium, e.g., photography, video, drawing, painting, dance, music, sculpture with found objects, ice sculpture, food art, and so on – be as creative as you like!

The screenshot shows a Moodle forum discussion page. The browser address bar indicates the URL: moodle.royalroads.ca/moodle/mod/forum/discuss.php?d=755272. The page header includes navigation links like 'My Courses' and the user name 'Val Cortes'. The forum post content includes a quote by Evans (2017) and a student's response. The response describes an embroidery artwork that symbolizes leadership through growth, opportunity, and vision, depicted as a figure in a boat navigating waves of change.

Learning Community

Week 1 | Cultivating Community and Exploring Leadership

Week 2 | Critically Exploring Leadership Contexts and Worldviews

Week 3 | Orienting and Defining Leadership

Week 4 | Leader-Centred

"Leadership emerges between people. It arises from a need, an opportunity, a situation. But if we are so whetted to a particular leadership identity, we can often miss these moments" (Evans, 2017)

This embroidery represents growth, opportunity, and vision, which are all aspects of our leadership journey that emerge in the moments described above. I love the idea of riding the waves of change on the leaderSHIP.

The screenshot shows a web browser window with the URL ca.bbcollab.com/collab/ui/session/playback. The browser's address bar and tabs are visible at the top. Below the browser, there are two side-by-side images. The left image shows a group of people in a classroom setting, with a woman kneeling and others standing around her. The right image shows a group of people in a classroom setting, with several people bowing or kneeling. Below the images is a dark grey banner with the text "WHAT IMAGE REPRESENTS YOUR LENS?". There are three red squares below the text, each with a blue checkmark. The first square has a single checkmark, the second has two checkmarks, and the third is empty. There are also some blue scribbles on the banner.
