A yellow circle is partially visible in the top-left corner. A grey silhouette of a person's head and shoulders is positioned on the left side of the slide, facing right.

Student vs. Instructor

- Different background, experience and involvement in content.
- Different skills in regulation, study, seeking help, search, and problem-solving.
- Different familiarity with the methods, applications, tools, etc.
- Culture and Language.
- Interests.

Thank you!
